Dear Teachers,

I have scheduled a half day PD for DLI teams on March 28th and 29th. You and your partner teacher will attend together and we will work on our literacy objectives (language and content objectives). Please schedule a sub and plan accordingly. I thought the Tuesday groups could share a sub, so for example, the English sub would start in 1st grade in the morning and then go to 2nd in the afternoon.

Schedule: Ophir Room at the district office (there is a Mexican restaurant in the building, vending machine, and Keurig machine available)

Tuesday, March 28th

AM (8:45-11:45) – 1st grade

PM (12:15-3:15) – 2nd grade

Wednesday March 29th

AM (8:45-11:45) – 3rd grade

Goals for our time together:

Work on collaborative teaming

Content and Language Objectives: what do they look like in action from a student's perspective

Making our resource tools do the work to support us

What to bring:

Your literacy teacher's manual

current literacy block objectives or the following week's objectives

Please let me know if you have questions. I would also like to gather ideas/needs for future trainings.
